<b>Discussion (Including Relationship to other Council Actions)</b>  The goal of this project is to strengthen the Downtown by creating new retail and student housing opportunities with the redevelopment of Block 68 in the central business district.  Redevelopment activities will include the construction of a 600-bed student housing complex with approximately 45,180 square feet of retail space and related surface and underground parking. The proposed project will remove blighted and substandard conditions by utilizing underdeveloped land; enhance the architectural character of Downtown; create new housing and retail opportunities; upgrade existing public utilities and infrastructure; enhance the streetscape and pedestrian-level orientation; and, encourage further reinvestment in the Downtown.  The resolution will allow TIF to be used as shown in the agreement. TIF will be used to assist the developer in preparing the site. Other publicly funded improvements and enhancements include streetscape and ROW improvements, utility relocation and improvements, façade enhancements, energy enhancements, and other TIF eligible improvements and/or enhancements consistent with the agreement.	<b>Opponents</b>	Groups or Individuals  Unknown  Basis of Opposition
